

Appendix 6. Information on the consortia created as a part of the strategic projects implementation within the development program

Consortium of Educational Institutions of Higher Education and Scientific Organizations of Astrakhan Region				
Strategic projects which will be implemented with the consortium participation		The role of the consortium in the strategic project implementation		
Development of the maritime robotic technologies in the Caspian region “Maritime robot”		- implement joint network educational programs; train and conduct advanced training of the specialists.		
Digital platform of North-South transport corridor		- conduct the comprehensive researches in the field of the Caspian region safety; - conduct joint scientific researches; - create new educational programs and advanced training programs.		
Creating the system of the comprehensive (societal) security of the Astrakhan region		- conduct the comprehensive researches in the field of the Caspian region safety; - create new educational programs and advanced training programs; - implement the advanced training programs		
Pre-Caspian ecosystem		- participate in the ecological monitoring of the aquatic areas using maritime unmanned robots; - develop promising research trends and educational trajectories; - implement network and additional educational programs.		
Caspian Incubator of Agro-Bio-Technologies		- develop and implement the newest genetic technologies, additives, feeds, algaecides into the production of agricultural products; - create and implement digital solutions with the usage of robotic technologies and artificial intellect to identify problem areas in agricultural fields and greenhouses; - satisfy the demands of the key employers in the agricultural economic sector of the Pre-Caspian macroregion for human resources.

Consortium Members				
1	Federal State Budgetary Educational Institution of Higher Education “Astrakhan State University”	FSBEI HE “Astrakhan State University”	3016009269	initiator of the consortium creation and coordinator of the accomplishment of the objectives - organize interaction within the projects; - organize interaction during implementation of the network educational programs; - organize joint academic and scientific activities, conferences, seminars, symposiums, lectures.
2	Federal State Budgetary Educational Institution of	FSBEI HE Astrakhan SMU of the Ministry of Health of Russia	3015010536	- organize interaction within the projects; - organize interaction during implementation of the network educational programs;

	Higher Education “Astrakhan State Medical University” of the Ministry of Health of Russia			- organize joint academic and scientific activities, conferences, seminars, symposiums, lectures.
3	Federal State Budgetary Educational Institution of Higher Education “Astrakhan State Technical University”	FSBEI HE «ASTU»	3016018094	- organize interaction within the projects; - organize interaction during implementation of the network educational programs; - organize joint academic and scientific activities, conferences, seminars, symposiums, lectures, etc.;; - develop human resources potential; - organize digital interaction.
4	Federal State Budgetary Educational Institution of Higher Education “Astrakhan State Conservatory”	ASC	3015010127	- organize joint academic and scientific activities, conferences, seminars, symposiums, lectures, etc.;; - organize digital interaction.
5	Federal State Budgetary Educational Institution “Caspian Agrarian Federal Scientific Center of the Russian Academy of Sciences”	FSBUI “CAFSC RAS”	3011004193	- organize interaction within the projects; - organize interaction during implementation of the network educational programs; - organize joint academic and scientific activities, conferences, seminars, symposiums, lectures.
6	State Autonomous Educational Institution of the Astrakhan Region for Higher Education “Astrakhan State University of Architecture and Civil Engineering”	SAEI AR HE “ASUACE”	3016008360	- organize interaction within the projects; - organize interaction during implementation of the network educational programs; - organize joint academic and scientific activities, conferences, seminars, symposiums, lectures, etc.;; - develop human resources potential; - organize digital interaction.
7	Astrakhan Branch of Federal State Budgetary Educational Institution of Higher Education “The Russian	Astrakhan Branch of RANEPA	7729050901	- organize interaction within the projects; - organize interaction during implementation of the network educational programs; - organize joint academic and scientific activities, conferences, seminars, symposiums, lectures, etc.;; - create inter-university Career centre to deal

	Presidential Academy of National Economy and Public Administration”			with the issues of training in accordance with the current needs of the region as well as the employment issues; - organize digital interaction.
8	State Autonomous Educational Institution of the Astrakhan Region for Additional Vocational Education “Institute of Education Development”	SAEI AS AVE "	3015106453	- organize interaction within the projects; - organize interaction during implementation of the network educational programs; - participate in human recourse development.
Transport and Logistics Consortium of Caspian Higher Educational Institutions				
Strategic projects which will be implemented with the consortium participation		The role of the consortium in the strategic project implementation		
Digital platform of North-South transport corridor		- conduct the comprehensive researches in the field of the Caspian region safety; - conduct joint scientific researches; - create new educational programs and advanced training programs.		
Development of the maritime robotic technologies in the Caspian region “Maritime robot”		- implement joint network educational programs; train and conduct advanced training of the specialists.

2	Federal State Autonomous Educational Institution for Higher Education	FSAEI HE «SFedU”	6163027810	- model management systems for port zones (Smart Port), develop logistics strategy for the development of the organizations of sectoral areas, study the accelerators for the Special Economic Zone (SEZ) development

	“Southern Federal University”			– hubs, portals, intermodal container terminals.
3	Federal State Autonomous Educational Institution for Higher Education “North-Caucasus Federal University”	FSAEI HE “North-Caucasus Federal University”	2635014955	form the competencies in the training of the specialists in the operation of transport and technological machines and complexes
4	Federal State Budgetary Educational Institution of Higher Education “Financial University under the Government of the Russian Federation”	Financial University	7714086422	- digitalize logistics processes and services, - study the impact of digitalization on transport and logistics systems of the Caspian bordering countries, - develop financial technologies in the implementation of logistics processes.
5	Federal State Budgetary Educational Institution of Higher Vocational Education “Platov South-Russian State Polytechnic University”	SEI HVE PSRSPU (NPI)	6150010834	form the competencies in the training of the specialists in the technologies of transport processes, in the management of the software projects development
6	Federal State Budgetary Educational Institution of Higher Education “Moscow Automobile and Road Construction State Technical University” (MADI)	FSAEI HE “Moscow Automobile and Road Construction State Technical University” (MADI)	7714029600	form the competencies in the training of the specialists in the operation of transport and technological machines and complexes
7	Federal State Budgetary Educational Institution of Higher Education “Rostov State Transport University”	FSAEI HE “Rostov State Transport University”	6165009334	form the competencies in the training of the specialists in the operation of transport and technological machines and complexes

8	Federal State Budgetary Educational Institution of Higher Education "Yuri Gagarin State Technical University of Saratov"	Yuri Gagarin SSTU	6454004110	optimize logistics business processes in the transport and logistics consortium basing on the mathematical models development
9	Federal State Budgetary Educational Institution of Higher Education "Daghestan State Technical University"	FSAEI HE "Daghestan State Technical University"	0562044246	implement joint network educational programs; train and conduct advanced training of the specialists.
10	State Autonomous Educational Institution of Higher Education "Daghestan State University of National Economy"	SAEI HE "Daghestan State University of National Economy"	0541001971	implement joint network educational programs; train and conduct advanced training of the specialists.
11	Federal State Budgetary Educational Institution of Higher Education "Daghestan State Agricultural University named after M.M. Dzhambulatov"	FSBEI HE Daghestan SAU	0560019653	implement joint network educational programs; train and conduct advanced training of the specialists.
12	Federal State Budgetary Educational Institution of Higher Education "Kalmyk State University named after B.B. Gorodovikov"	FSAEI HE "Kalmyk State University named after B.B. Gorodovikov"	0814000257	implement joint network educational programs; train and conduct advanced training of the specialists.
13	Federal State Budgetary Educational Institution of Higher Education	KubSTU	2310018876	implement joint network educational programs; training and professional development of specialists.

	"Kuban State Technological University"			
14	Federal State Autonomous Educational Institution for Higher Education "Volgograd State University"	VolSU	3446500743	implement joint network educational programs; training and professional development of specialists.
15	Federal State Budgetary Educational Institution of Higher Education "Volgograd State Agricultural University"	Volgograd State Agricultural University	3446501024	implement joint network educational programs; training and professional development of specialists.
16	Municipal Budgetary General Education Institution for Higher Education "Volga Institute of Economics, Pedagogy and Law"	VIEPP	3435880613	geomarketing of transport and logistics services in the region; implement joint network educational programs; training and professional development of specialists.
17	Federal State Budgetary Educational Institution of Higher Education "Dagestan State University"	DSU	0562039983	implement joint network educational programs; training and professional development of specialists.
18	Federal State Budgetary Educational Institution of Higher Education North Ossetian State University after K.L. Khetagurov	FSBEI HE "NOSU"	1502009030	implement joint network educational programs; training and professional development of specialists.
<i>Consortium "Ecology of the Volga River Basin"</i>				
Strategic projects which will be implemented with the consortium participation		The role of the consortium in the implementation of a strategic project		
The Caspian Sea ecosystem		<ul style="list-style-type: none"> - project interaction; - interaction in the implementation of network educational programs; - exchange information.
